Dear Patient,

We are delighted that you have chosen our practice for your care, and we look forward to your visit.

Please arrive at least 30 minutes prior to your appointment time to allow us sufficient time to process your paperwork. For future follow up appointments, please arrive 15 minutes prior to your appointment time.

To expedite our check in process, please complete the enclosed paperwork prior to your appointment. When you arrive at our office, please present your completed paperwork, photo ID, and your insurance cards.

If your insurance plan requires a referral, it is your responsibility to contact your primary care provider and ensure they have forwarded our office a valid referral. We may not be able to see you if a referral is not on file with our office by your scheduled appointment date.

For your convenience on any money due, we accept cash, personal checks, Master Card, Visa, American Express, and Discover Card.

For more information, please visit us at www.northtexasrheumatology.com

Notice of Privacy Practices

As Required by the Privacy Regulations created as a result of the Health Insurance Portability and Accountability Act of 1996 (HIPPA)

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

A. Your Rights

When it comes to your health information, you have certain rights. This section explains your rights and some of our responsibilities to help you.

Get an electronic or paper copy of your medical record

- ❖ You can ask to see or get an electronic or paper copy of your medical record and other health information we have about you. This can be done by requesting our office in writing and signing a release of information form.
- ❖ We will provide a copy or a summary of your health information, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

Choose someone to act for you

- ❖ If you have appointed someone as your Legal Representative or if someone is your legal guardian, that person can exercise your rights and make choices about your health information.
- ❖ We will ask to see the certified copy of the order of appointment.

File a complaint if you feel your rights are violated

- ❖ You can complain if you feel we have violated your rights by contacting our office in writing.
- ❖ We will not retaliate against you for filing a complaint.

B. Your Choices

For certain health information, you can tell us your choices. If you have a clear preference for how we share your information, talk to us. Tell us what you want us to do, and we will follow your instructions. In these cases, you have both the right and choice to designate who we can share your information with. *Example: Family, close friends, or others involved in your care.*

Our Uses and Disclosures

How do we typically use or share your health information?

We typically use or share your health information in the following ways:

Treat you

We can use your health information and share it with other medical professionals related to your care. *Example: A doctor treating you for an injury asks another doctor about your overall health condition.*

Run our organization

We can use and share your health information to run our practice, improve your care, and contact you when necessary.

Example: We use health information about you to manage your treatment and services.

Example: Appointment reminders

Bill for your services

We can use and share your health information to bill and get payment from health plans or other entities. *Example: We give information about you to your health insurance plan so it will pay for your services*

Our Responsibilities

- ❖ We are required by law to maintain the privacy and security of your protected health information.
- ❖ We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
- ❖ We must follow the duties and privacy practices described in this notice and give you a copy of it.
- ❖ We will not use or share your information other than as described here unless you tell us we can in writing.

For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html.

Changes to the Terms of this Notice We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request, in our office, and on our web site at www.northtexasrheumatology.com

Cancellation/No Show Policy

A "no-show" is someone who misses an appointment without notifying the office a minimum of one business day prior. A failure to be present at the time of a scheduled appointment will be recorded in your medical record as a "no-show". A total of 2 "no-show" appointments within the past 12 months, may result in being discharged from the practice.

Patients are expected to keep their scheduled appointments. In order to be respectful of the medical needs of other patients, please be courteous and call the office promptly if you are unable to show up for a scheduled appointment. If you need to cancel or reschedule your appointment, please contact our office at 469-916-0677 no later than 24 hours prior to your appointment time or you will be charged a \$50 no show fee.

Exception: Notification for Monday appointments should be given no later than 12:00 pm on the Friday before your appointment).

Receipts of Cancellation Policy

I have received and understand the North Texas Rheumatology, PA policy and definitions regarding cancellations (initials)						
Insurance Authorization						
I hereby authorize any and all insurance benefits be paid directly to the physician and acknowledge that I am financially responsible for any unpaid balance. I understand that if my account should be turned over to a collection agency that I will be responsible for any fees incurred, up to and including 35% of the unpaid balance. I also authorize the physician to release any information required by my insurance company (initials)						
Consent to Obtain External Prescription History						
I authorize North Texas Rheumatology, PA and its providers to view my external prescription history via the RxHub service. I understand that prescription history from multiple other unaffiliated medical providers, insurance companies, and pharmacy benefit manager may be viewable by my providers and staff here, and it may include prescriptions back in time for several years (initials)						
General Authorization for Treatment						
I authorize physicians, nurse practitioners and/or physician assistants of North Texas Rheumatology, PA who attend to me, their assistants, including those employed by North Texas Rheumatology, PA to provide the medical care, tests, procedures, drugs, blood and blood products, services and supplies considered advisable by my provider. These services may include pathology, radiology, emergency services and other special services ordered by my provider. In consenting to treatment, I have not relied on any statements as to results. I further authorize my provider to examine, use, store, and/or dispose of in any manner any tissue, fluids or parts removed from my body. In the event that any personnel assisting in the provision of care and treatment suffer inadvertent exposure to any of my blood and/or other bodily substance that are capable of transmitting disease and I am unable to consult timely with my physicians prior to testing, I consent to limited testing to determine the presence, if any, of antibodies to hepatitis A, B, and C and HIV (initials)						
Additional Treatment Opportunities						
The doctors at North Texas Rheumatology, PA are involved in research that is designed to lead to better treatments for the types of medical problems experienced by the people who come to this clinic. As such, if they feel there is an opportunity that would be medically appropriate for you, you may be contacted by a qualified professional on their staff.
